enacted. It is imperative, therefore, that LB 107 be enacted with the emergency clause in order that the Nebraska Arts Council be able to fulfill its commitments to local communities within the state and still conform to Federal and State law. The passage of LB 107 will not require additional state funds, but authorize disbursement of funds appropriated by the 1974 Legislature. I move that it be passed on to E & R initial.

CLERK: Mr. President, Legislative Bill 1, introduced by Senator Stull of the 49th District. (Title read). There are no committee amendments or other amendments pending.

PRESIDENT: Chair recognizes Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature. This is bill does one thing, it takes Grant County out of the 13th judicial district and puts it in the 16th judicial district. The reason for that, most of the attorneys that practice in Grant County live in Alliance, Nebraska, and of course the district judge lives there. The judge is in the 13th judicial district. Its two district judges, and the one lives in North Platte and the other lives in Gothenburg. County court judges, one lives in Ogallala, one in Cozad and the other one in North Platte. It is just more convenient to have Grant County in the 16th judicial district. This is agreed upon by all of the parties concerned. I move that the bill be advanced to E & R initial.
